Publication Guidelines

Publication Guidelines:

Social Work Series is an independent, bilingual collection published by Thomson Reuters Aranzadi, that publishes books in both Spanish and English. Adhering to the standards of excellence established by the scientific community, all books submitted to our Social Work Series will be peer reviewed. All original manuscripts will be reviewed by at least two external referees, whose suggestions and recommendations will be sent to the author(s) to make the pertinent modifications when needed. Thomson Reuters Aranzadi ensures the anonymity of both author(s) and referees. The Social Work Series Board of Editors will examine all the manuscripts submitted and, based on the external evaluations, decide to accept or reject the submission. Authors will be notified if their manuscript has been accepted or rejected within a maximum period of six months.

Normas de publicación:

La colección de Trabajo Social es una colección independiente, bilingüe, que publica libros tanto en inglés como en español. Siguiendo las normas de excelencia aceptadas por la comunidad científica, la aceptación de libros se rige por el sistema de evaluaciones externas por pares. Todos los originales serán revisados por al menos dos evaluadores externos a la entidad editora, cuyas sugerencias serán enviadas a los autores, para que realicen, en caso de ser necesario, las modificaciones pertinentes. Se mantendrá el anonimato tanto de autor como de los evaluadores. El consejo editorial internacional de la colección de Trabajo Social analizará los originales, y, en función de las evaluaciones externas, decidirá sobre su publicación. En un plazo máximo de seis meses, se informará al autor sobre la aceptación o rechazo de su contribución.
